- **A Proven Leader:** Mike's 8-year City Council resume reflects the breadth and depth of Mike's knowledge and experience, underscoring Mike's ability to balance a variety of municipal priorities, along with Mike's balanced approach to Council decision-making, all in pursuit of Mike's #1 priority: Preserving Coronado's residential quality of life.
- **A Council Leader:** Elected to two Council terms, Mike has been instrumental in strengthening Coronado's historic preservation ordinance; | In initiating a more inclusive, budget-based city grant program; | In establishing a quantifiable system for evaluating contractor proposals; | In serving on the Council's most significant finance committees; | In being a respected and influential Council liaison to numerous Coronado/San Diego Navy groups; | In expanding SANDAG's ocean sand replenishment program to also include South Beach, as well as Coronado bayfronts; and | In advocating at SANDAG, where Mike represented Coronado at the board level and served on 5 SANDAG committees.
- **A Navy Leader:** During his 10 years' active duty in the US Navy, Mike was responsible for engineering operations aboard two San Diego-based nuclear cruisers, after which Mike held command positions during his 20 years in the Navy Reserves, retiring as a Captain. As a result, Mike is well-versed in Coronado's base operations, and Mike has a shared professional rapport with Navy staff.
